

## July 2017 Battery Seminar - Registration is Open

July 18 - 20, 2017

Venue: Hilton Garden Inn Ann Arbor  
1401 Briarwood Circle, Ann Arbor, MI 48108 (USA)

We're only a few weeks away from PlugVolt's July 2017 Battery Seminar - the battery and energy storage industry's most anticipated event featuring subject matter experts from Automotive and Grid Storage OEMs, global Tier 1 suppliers and major battery manufacturers.

Dr. John Warner will be presenting on Day 3 (Grid Energy Storage session) about "*Application of Microgrid and Stationary Energy Storage Systems*". Representatives from EnerDel will also be present during all three days of the event to discuss your battery requirements for any Industrial, Transportation and Stationary Storage applications.

We welcome you to attend and participate in this exciting three-day Battery Seminar from July 18-20, 2017, taking place in beautiful Ann Arbor, MI (USA). EnerDel guests get exclusive 20% discount on registration fees when using code "**0717EnerGuest20**" to register yourself and your colleagues. Also note that attendees from government agencies, academic institutions, and groups of 3 or more from the same company are entitled to an additional 10% discount.

Review the full program agenda and register today, or contact JC Soman at [juratesoman@plugvolt.com](mailto:juratesoman@plugvolt.com) if you have any questions.
